This statement is an informed opinion based on information made available by the applicant and the research undertaken at the time of issue of this statement, and is not a confirmation of the authenticity of the submitted certificates.

The status of recognition of an awarding institution or of a qualification and its respective level rating is not definitive. MQRIC reserves the right to reissue statements amending its previous opinion based on newly available information regarding the awarding institution or the qualification.

This statement does not purport to indicate whether a holder of a qualification, whether recognised or otherwise, is suitable for a particular profession or eligible for any position, gain, scholarship or other benefit, and an assessment for such suitability remains with the person or entity contracting with the holder of a qualification.

The Mutual Recognition of Qualifications Act XVIII of 2002 empowers Designated Authorities to make further evaluations of qualifications and experience. In terms of the aforementioned Act, if the intention is of practicing a profession, one has to submit an application to the relevant Designated Authority requesting authorization to practice a profession.
